WORK EXPERIENCE

Full-Stack Developer 2024

SafetyPlus Consulting Ltd Company | Ongata Rongai

At SafetyPlus Consulting Ltd, I developed and maintained full-stack web applications with features like user authentication, real-time chat, and task tracking. I used Django, MySQL, and Bootstrap to create secure, responsive, and scalable solutions aligned with the company's needs.

Clerk 2022

I.E.B.C-Kenya | Homabay

As an IEBC clerk, I was responsible for verifying voter identification, assisting with the voting process, and ensuring accurate data entry during elections. I maintained orderly conduct at the polling station and upheld electoral integrity by following strict procedures.

Corporal 2023 - 2024

St John Ambulance Kenya | Kisii

As a Corporal at St John Ambulance Kenya, I led and coordinated first aid teams during emergencies and public events. I trained new volunteers, ensured readiness of medical supplies, and supported disaster response efforts. My role emphasized leadership, discipline, and swift decision-making in critical situations.

PROFESSIONAL SUMMARY

Results-driven Full Stack Developer with a strong background in building secure, scalable web applications using Django, MySQL, JavaScript, and Bootstrap. Experienced in managing real-time systems, task tracking tools, and user authentication features. Proven leadership in public service roles, including election management with IEBC and emergency response with St John Ambulance Kenya. Skilled in cross-functional collaboration, problem-solving, and delivering tech solutions that support both organizational goals and community needs.
